THE PERFECT CHOICE FOR THE TRADESMAN AND TECHNICIAN

Choosing the right hardtop can be just as challenging as picking the vehicle itself, with the range of models, styles and options overwhelming at times. Only SMM Steel hardtops provide maximum strength, durability, security, maximum payload and the benefit of being environmentally friendly.

The Sammitr Group has over 50 years of experience within the automotive industry, providing you with the confidence that SMM are the trustworthy choice when it comes to installing a hardtop on your motor vehicle.

The SMM range of steel hardtops are made with the most up-to-date automotive manufacturing processes that ensure quality is built in. All SMM hardtops are made from high quality automotive steel, and are designed for maximum strength, durability and security.

We also stock a great range of SMM 4x4 accessories so you can enhance your vehicle to your specific needs, as well as a range of roof racks including exclusively designed SMM Roof Racks by Milford. We guarantee peace of mind with a full 3-year warranty on the SMM Hardtop range.

The V2 Tradesman is the ideal addition to fleet vehicles, with features that can be customised to suit your individual requirements. The SMM V2 Tradesman provides you with the assurance that your valuable tools and equipment are secure at all times. The SMM Tradesman also comes with a 3-year warranty.
